Desk Organizer

Details: Students will design a desk organizer to use with their pen cap. Students are open to any design they desire. Specifications are below:

- Student will sketch design and must have it approved by instructor before building
- Part will be made of aluminum with max size being 4"X6"X1/2". Exceptions can be made if explained with student's sketch.
- Part will contain no sharp edges (broken with chamfer or file)
- Part will contain a hole for pen holder to bolt down
- Part must hold a card, sticky notes, or something similar
- Accuracy in comparison with your drawing will be followed.

Summary

Explain what you liked, didn't like, and how to make this project better or any other comments you may have:

Area	Student Grade	Peer Grade	Instructor Grade
Job Plan/Work Order/Drawing (if needed) (20pts) Create one.			
Safety (10pts)			
Accuracy (20pts) Follow below or according to drawing ±.001=20pts ±.002=18pts ±.003=16pts and so on			
Part Appearance (10pts)			
Working with others (10pts)			
Cleanup (20pts)
